Incumbent Workers  
Training Program

Helping Businesses Grow  
by Upskilling Employees

### What is Incumbent Worker Training (IWT)?

The Incumbent Worker Training Program is designed to help businesses retain a skilled workforce and avert layoffs by providing financial assistance for employee training. The program supports skill upgrades that improve employee retention, create advancement opportunities, and strengthen business competitiveness.

### Benefits :

- Increase Productivity – Equip your team with updated skills to stay competitive.
- Employee Retention & Growth – Invest in your team to boost morale and loyalty.
- Customized Training – Tailor training to your industry and specific needs.
- Reduce Training Costs – Get reimbursed for eligible training expenses.

### Who Qualifies:

- Camden County Businesses with full-time employees needing skill upgrades.
- Companies in high-demand industries or facing changes in technology, processes, or markets
- Employers willing to commit to retaining trained employees.
